Steel Made Here Used At Vietnam Base Camp

"Isn't it a small world?" was the reaction of Lt. Thomas W. Butler, Alton, a 1964 West Point graduate, when he noted the source of steel culverts used in ditches at an Army base camp in Plei Ku situated in the Vietnamese central highlands: Granite City Steel Co.

In a letter this month to his father, Thomas W. Butler sr., retired manager of the Alton Manufacturers' Association, Lt. Butler related that the steel used at his camp had been shipped 10,000 miles to South Vietnam almost "from my own backyard."

The young officer has been in combat with the Ninth Artillery, Third Brigade, 25th Division, since last January and hopes to arrive home by Christmas.

A fire direction officer, he adjusts the fire of his battery by visual observation from forward posts, helicopters and scouting planes. One of the missions in addition to scheduling the range and direction of artillery fire is to detect the enemy by attracting his fire from the ground. When not in direct combat, the battery fires at crossroads and waterholes along a major infiltration route.

The camp where the culvert steel is in use is near a road which the French built across the middle belt of the country from Cambodia to the DaNang seaport. Because such metal would be valuable to the enemy, care is being taken to keep it from falling into the hands of the Viet Cong.

Madison Rotary Judging of Yule Lights Wednesday

Exterior home lighting displays in Madison will be viewed Wednesday evening by a panel of judges, with the winners to receive awards from the Madison Rotary club and Illinois Power Co.

Judging of Christmas decorations under Rotary sponsorship has been a tradition in Madison for many years.

All homes are seen, so it is not necessary to formally enter the competition. Lights, however, must be turned on Wednesday evening in order for the displays to be considered.

Awards are to total \$100 again this year, divided among the top five holiday displays. The club has noted an increase in the number of extensive and artistic plans. One of the missions in addition to scheduling the range and direction of artillery fire is to detect the enemy by attracting his fire from the ground. When not in direct combat, the battery fires at crossroads and waterholes along a major infiltration route.

Warn Merchants Against Bogus \$20's

Quad-City area merchants were warned this week to be alert against counterfeit \$20 bills which have been appearing in the area. One such bill was turned in to Venice police last week.

Secret Service agents pointed out that the Christmas shopping period is a favorite time of the year for the counterfeiters because of the rush and crowded stores in which busy clerks don't have the time to properly check their money.

The bogus \$20 bills that have appeared in the area recently are reported to be better than average reproductions. Treasury agents said they thought they had broken up the counterfeiting ring in the metropolitan area with arrests in St. Louis early this month and the confiscation of a half million dollars in phony bills at a St. Louis apartment.

Passing of the bills continues, however, and agents said they fear they will have a large number of complaints by the end of the holiday season.

Wessels-Riddle Nuptials At Holy Trinity Church Here Miss Emily Toffant is Bride Saturday of Thos. Thebeau

The wedding of Miss Emily Frances Toffant and Thomas L. Thebeau took place Saturday morning at St. Mary's Catholic Church in Madison.

The parents of the couple are State Police Capt. and Mrs. Emil J. Toffant, 1534 Fourth street, Madison, and Mr. and Mrs. Harry Thebeau, 1511 Fifth street.

The Rev. Engelbert Binek, O.F.M., officiated at the 11 o'clock Mass before the altar bedecked with flowers.

A gown of white silk and wool was worn by the bride. It was made on Empire lines with a gently scooped neckline. Re-embroidered Alencon lace and pearls edged the bodice and the short sleeves.

The full A-line skirt formed a graceful train in the back and a lace-edged mantilla veil was secured with a small standup lace crown. The bride held a cascade of white chrysanthemums centered with two white orchids and surrounded with ivy.

Miss Nancy Toffant, a sister of the bride, as maid of honor, and Miss Patricia Havranek, a cousin, Miss Barbara Andrews and Miss Marian Haddock, bridesmaids, were blending shades of shocking pink coat dresses.

Long and slender, they were of georgette with Empire waistlines, the long coats of a deeper pink satin. Floor-length tulle headpieces complemented the gowns and they carried cascades of pink 'mums to match the dresses.

Janice and Carol Warchol,

nieces of the bridegroom, wore pink frocks and matching headpieces. They carried nosegays of pink flowers.

George Gregus was best man for Mr. Thebeau and the list of groomsmen and ushers included William Kalchoff, Kit Gitch, Edward Thebeau, the bridegroom's cousin, James Havranek, a cousin of the bride, and Gary Fears.

The bride's mother chose a dress of turquoise brocade. It was worn with a matching coat of Alencon and sequined wool. The bridegroom's mother was in a three-piece suit of beige wool and a gold brocade hat. Both mothers carried white orchids on their purses.

The wedding breakfast was held at Sunset Hill Holiday Inn, and the couple received their friends at the Venice-Madison American Legion Hall in the evening. They will make their home in Fort Benning, Ga.

The former Miss Toffant was graduated from the Madison schools and has been employed as a secretary in the offices of the Shell Refinery in Wood River. Mr. Thebeau was graduated from the Madison high school and St. Louis University.

Trojans Trample Triad Knights — 93-71

Trojan fans with Friday's 93-71 win over the Triad Knights under their belts are sitting on the edge of their bleacher seats these days in anticipation of another sparkling basketball season.

The 93-71 win over Triad on the local gym floor was sparked by the ball handling of Ron Burt and the rebounding skill and moves of Albert Boyd.

Their actions had the Triad squad wondering if they weren't pitted against the hot ball maneuvering Marquis Haynes and a combination man with the moves of a Bob Pettit and the rebound talent of Wilt Chamberlain.

Coach Earl McClanahan's squad ran up its fourth win of the season and a 2-0 Midwestern Conference mark. Not only has Madison won every game, it also has displayed improvements in each contest.

Triad opened the game with a bucket by Bob Brendel and a free toss by Ted Tedrick, but the shot landed only a few seconds as Madison got hot with Boyd, Burt and Gary Lusk hitting on consecutive shots.

As the first quarter ended, the Trojans were on top 22-15. Burt ran rings around the Knight defense, and Boyd stalked his claim on both boards to give the Trojans a 45-30 edge at the half-way mark.

The third quarter was highlighted by the combination of guard Burt and center Boyd, with Burt hitting Boyd under, and Boyd hitting Burt under, on three occasions to chalk up six fast points.

"Prince" Albert maintained ownership of both boards with eight rebounds in the period, and it was 74-49 for the Trojans when the third quarter buzzer sounded.

In the final period, the Knights racked up 22 points to 30 by the Trojans here Thursday. Leading Warrior scorers were Ralph Burnett and Larry Pirtle with 13 points each.

Warriors Lose 2 Tilts In Conference Play

"We were outshouted and outplayed," a dejected Warrior coach Ralph Sackett reiterated after his quint was edged by Belleville West 81-56, Friday evening at Belleville. The Warriors also lost a squeak to the East St. Louis Flyers, 58-55, Saturday at East St. Louis.

The Warriors' chances at Belleville were dealt a severe blow in the first few minutes of the contest as star forward Jim Hentzel suffered a turned ankle. Hentzel was ineffective throughout the first three quarters of play scoring only six points.

The local team yielded only 26 points in the first half after a mediocre second quarter total of 12. West led 32-26 at the half. After another puny yield of only 11 third period points, the Warriors clicked, hitting 19 points in the fourth stanza. Hentzel, hampered with a sore ankle, hit three from the field and one free throw for seven points during the Warrior fourth period surge.

Granite City hit 42% from the field and 64% from the charity stripe compared to West's 43% and 74%. Warrior mentor Sackett explained that the real key to Belleville's triumph was the Warrior's lack-luster press. Center Terry Moore scored 19 points and swept 10 rebounds off the boards. Belleville's Ray Wiley was high man with an action after a convalescence period scored 8, Hoy 5, Van Buskirk 3, Belshe 2.

Belleville cagers who scored were Gurr 18, Jack King 2, Wiley 22, Ernst 10, Eckley 4, Berry 3, and Mike King added 2.

Despite the 29 points piled up by Red Devils sharpshooter Rich Essington, the Venice game quint suffered its first MCM conference defeat, 57-51, to its arch foe, the Bunker Hill Minutemen at the Red Devil's gym Friday night.

It was a fine game by both teams. Venice Coach Bill Ohlendorf, commented. His team now has a 3-1 record in the MCM conference. The Minutemen have an unblemished season—3-0.

Venice led in the unusually low score contest first quarter 11-8, and the contest was tied at 28-28 at half-time.

"We lost the game in the third quarter with numerous shots going in and out that should have gone in," Ohlendorf remarked.

The Devils tallied only five points in the third period, but Venice

the Bunker Hill boys didn't do much better with eight. Both teams bounced into fast action in the final quarter with Venice trailing 18 to the Minutemen's 21.

The Venice rally in the fourth period had Bunker Hill coach Jim Hinkka worried, but when the end came, the six-point victory margin was there.

Top scorer for the Minutemen was Terry Bubs, with 22 points that failed to match Essington's total.

Venice scorers were John Gardner with 13; Greg Puente with five, and McIntosh and Harper with two each.

Fidelis Class Holiday Party

Members of the Fidelis Class of Grace Baptist Church and their husbands held a Christmas party Thursday evening at a St. Louis restaurant.

Dinner was served at tables with holiday decorations, and favors were in the form of small white Bibles.

Prayer was offered by John Fedora; and Mrs. Colleen Sharp, president, was in charge of the program.

Mrs. Fedora gave the devotion, reading the story of the Nativity from the Bible, accompanied at the piano by Mrs. Frances Thomas, and Mr. Fedora led the group in the singing of Christmas carols.

A highlight of the evening was the appearance of Santa Claus with gifts for all. There was a special gift for the teacher, Mrs. Ruth Clouse.

Also present were Mr. and Mrs. Sam Funkhouser, Mr. and Mrs. Paul Welsh, Mr. and Mrs. Elwood Nash, Mr. and Mrs. Otto Sharp, Mr. and Mrs. John McKinney, Harry Sharp, Joseph Clouse, Mrs. Telen Townes and a guest, Mrs. Billy Wood.

Pre-Holiday Party For Faculty

Another of the many pre-holiday parties taking place in the area over the weekend was that of the faculty of Emerson school at the Rose Bowl Thursday evening.

Thirty-six members of the staff, their husbands and wives and a former teacher, Mrs. Elsie Schill, took part. A smorgasbord dinner was served and after the meal all participated in carol singing led by Gus Falter, accompanied at the piano by Mrs. Marnie Schaeffer.

Prizes were awarded in the games and there was also an exchange of Christmas packages among the group.

In Memoriam 34

In loving memory of ALVIN
DOORIS, who passed away Dec.
20, 1965:
One year today, God called you
to His rest.
Through your suffering and pain,
He knew best.
Nothing but memories as I jour-
ney down life's highway, so all alone,
Now knows the depths of my re-
gret.
But I remember when others for-
get.
Many heartaches, and silent
tears.
At the end of one long year.
Peaceful sleep, dear Alvin. God
Safely missed by wife,
EDNA

In loving memory of ROBERT
ELROY WEEKS, who departed
this life Dec. 17, 1964:
It brings back a day we'll never
forget.
You left this world without a
good-bye.
But our memories of you will
never die.
Sadly missed by Mother,
Father, Sons, Brothers and
All Who Loved You. 32-12-19

4 Rail Lines Get Fare Increases

The Illinois Commerce Commission has authorized intrastate passenger fare increases of 10% for four railroads operating in Illinois.

The increases were granted to Illinois Central, GM&O, Chicago & Eastern Illinois and Norfolk & Western railroads. Similar increases in the interstate fares already had been granted by the commission. The fare boosts may be made on 10-day notice by the railroads.

The Illinois Central, GM&O and Norfolk & Western sought the rise in coach and first class fares, while the C&EI asked only to boost its first class fare. Its coach fares were raised in 1965.

Parlor car rates will go up seven to nine percent by all but the C&EI. A spokesman for the commerce commission said the intrastate fare changes would not apply to commuter and multiple ride fares.

Increases will be effective on each railroad's stations for all except Norfolk & Western who sought raises on its runs between Chicago and the cities of Litchfield, Edwardsville and Granite City. The raises were necessary, the railroads told ICC officials, because of increased operating costs, primarily in labor, and deficits in their passenger operations.

Jury Returns \$110,000 Judgment in GC Court

A jury returned a \$110,000 verdict Friday evening in favor of Ed Damron, a Louisville, Ky., deck hand, against the Central Towing Co. of St. Louis in a trial held by Associate Judge Fred P. Schuman in the Granite City division of circuit court.

Damron claimed he was injured on Nov. 2, 1964, while he was working on one of 15 barges being towed by the motor vessel Cincinnati on the Illinois river above Havana. A defective cable caused him to fall, and he claimed he will be unable to work in the future. Physicians offered conflicting testimony as to his ability to work. Damron asked for \$200,000 in the complaint.

Dr. Felicia Koch Plans Programs for Unity

A series of meetings and clinical discussions to promote better understanding among physicians and planned by Dr. Felicia Koch of Granite City, newly-elected president of the Madison County Medical Society.

Dr. Koch, elected president to succeed Dr. Abner A. Grandia of Alton, begins her term in January, and plans a series of three clinical meetings, as many business sessions and two party events in conjunction with the Women's Auxiliary. The society meets monthly except during July and August.

Dr. Koch, the 1966 Illinois State Woman of the Year, also re-ceived the 1965 Woman of Achievement award in St. Louis for her work in the state year selections.

Holiday Wrapping Hints --From the Garbageman

Suggestions for preparing, bagging and wrapping the anticipated extra garbage during the holidays -- short of using seasonal paper -- were offered this week by National Disposal Contractors, Inc., the firm serving Granite City.

The garbagemen suggest that cans "be organized in the homes and at the point of pickup, and that they be of galvanized metal rather than plastic or foil which crack in cold weather. All garbage should be drained and

wrapped; boxes, gift wrapping and paper containers should be flattened and banded to take up less space. Tin cans should be flattened too. Small, loose scraps of paper and tissue should be bagged. Disposal grease should be put in cans and cooled.

Proper handling of garbage in the home, the company says, will mean the extra holiday load of garbage can be handled in an efficient and sanitary manner.

Stamps Trial Costs To Exceed \$200,000

Total cost of the murder trial of John Stamps of Granite City and three other Menard prisoners will exceed \$200,000, according to the proposed budget for the Illinois Department of Public Safety.

Sam Johnson, administrative assistant to Public Safety Director Ross Randolph said that some of the expenses "were paid as we went along and it will be hard to pin it down to actual dollars and cents."

Cost of trying the four men for slaying three prison guards in a riot Nov. 23, 1965, included \$6000 spent for transcripts alone, Johnson said, and this represents only about 25% of the transcript cost.

A total of \$36,000 was paid to Sangamon County for housing prisoners, court costs and fees for the jurors and alternates. The state has paid \$25,000 to Randolph county for part of its expenses and \$82,000 for four court-appointed defense attorneys. He said cost of transporting the prisoners, expenses of the prosecuting attorneys and similar items were written off as regular operating expenses.

Big Question-- Will Mayor Name Chief Tonight?

There is considerable speculation--but no names mentioned--that Mayor Partney may name a new police chief for Granite City at tonight's 8 o'clock council session.

Police Chief Willardt is to retire Jan. 1 to become the Quad-City area deputy on the staff of Madison County Sheriff Musso, but the mayor remains mum on his selection of a successor.

The agenda for tonight's meeting lists "appointments" under the Remarks by Mayor caption, but there has been no hint as to the appointments to be made. The mayor might wait until the Tuesday, Dec. 26, meeting for the announcement.

While there is no indication on the three-page agenda of anticipated fireworks, there is a listing of the proposed pay increase for 21 city hall employees. Also listed is a letter concerning city insect spray used at the Sunset Hill campgrounds.

Legal opinions are pending on absentee pay for aldermen and on the aldermanic expense allowances. Redistricting the city's eight wards and a further report from the Special Sewer committee are mentioned.

Dual Worship Services At 3rd Baptist Church

Third Baptist Church, 26th street and Grand avenue, has announced that due to the continued growth of its congregation, the church will institute two morning worship services in order to be able to seat those who wish to attend.

Rev. Eugene Phillips, pastor, in announcing the additional worship services, said that since the church remodeled its sanctuary in March, the congregation has experienced a renewed vitality and spirit and has had more than 100 additions to its membership. The additional services were described by the pastor as an attempt to meet the needs of the growing congregation and to forestall plans for additional building construction as long as possible. Christmas Day was the date given for the first of the dual services.

The time of a new early morning worship was set at 8:30 a.m. with the regular schedule for later services being maintained. Sunday school begins at 9:30 a.m., and morning worship will begin at 10:40 a.m.

If the early service is well accepted and attended, it is to be made a permanent part of the church's program.

Depot Soldiers on Duty Christmas Day Will Get Traditional Holiday Meal

Military personnel whose assignments require duty at the Granite City Army Depot on Christmas will be treated to a traditional holiday meal.

With most of the depot's men granted leave for the holiday and a considerable number already invited to share Christmas with local families and friends in this area, only 20 soldiers will be on hand for the extensive menu prepared by the depot cooks, whose culinary art has received high praise from

the enlisted men.

Among the food items to be served at noon Christmas Day are shrimp cocktail, roast turkey with giblet gravy, cranberry sauce, mashed potatoes, candied sweet potatoes, buttered broccoli, trays of assorted crisp relishes, parkerhouse rolls and butter, fruit cake, mince pie, pumpkin pie and whipped cream, assorted nuts, candies and fresh fruit, and tea, coffee and milk.

The Christmas meal will be served in the depot's mess hall which has drapes and wall mur-

als. The furniture is constructed of highly-polished stainless steel, and the servicemen are seated four to each table. "Definitely not like the old Army days," commented one world war II veteran who recently visited the local installation.

Following the meal Sunday, most of the soldiers will be free to enjoy an "easy day" with only a skeleton crew on actual duty. Should the need arise, additional personnel would be quickly available, a depot spokesman said reassuringly.

County Board May Stay Within Per Diem Budget

Members of the Madison county board of supervisors may stay within their budget for per diem and mileage payments, John Kravak, county auditor, reported today.

For the first 11 months of the year, the supervisors have received \$59,374 from their budget of \$67,000, and the number of committee meetings being held this month will determine the budget status, he said.

In 1965 there were 758 committee meetings, costing the county \$69,820, or \$17,820 more than the \$50,000 budgeted for the purpose. Kravak said that this year there have been fewer committee meetings, and the fund balance was aided by deductions of over-payments made in 1965.

The new budget calls for an appropriation of \$83,000 as half of the members of the board will receive an increase in per diem payments from \$15 to \$20 per meeting, the same as approved for the other half two years ago.

Optimists Call for Help On Yule Tree Lot

Additional volunteers from both the Granite City and Twelfth Optimist clubs will be needed this week to operate the "Optimist Christmas Tree Sales" on Madison avenue between the main fire station and post office, members of the Granite City club were told Thursday.

New bundles of trees have yet to be opened and displayed, Wayne McIlroy, project co-chairman, informed Granite Optimist members at their luncheon meeting in the YMCA. He said the sales lot will remain open from 8 a.m. to 10 p.m. today through Friday and from 9 a.m. to 6 p.m. Saturday. He urged members to offer their assistance during the final and busiest week. Proceeds derived from the annual project are used to further youth work in the community.

Dr. Raymond Troyer, Optimist president, conducted the business meeting Thursday, attended by 27. Those introducing guests, included Henry D. Karandjef, whose guest was Fred H. Oster of Taylorville, Ill., John Solenberger, accompanied by his son, Michael, who left Friday to continue his military training at Fort Eustis, Va., and William Bradford, a member of the Alton Optimist Club.

"New Skyways of Communications," a program dramatizing some of the unique characteristics of microwave, reported in Thursday's Press-Record, featured demonstrations by Roy Wickham, Southwestern Bell Telephone Co. science authority. New Data Required For Smallpox Shots

"Smallpox vaccinations performed after Jan. 1 must be recorded on the new certificates to be valid for international travel," Dr. Franklin Yoder, director of the Illinois Department of Public Health, advised today.

All physicians have been notified to obtain a supply of these new certificates before the deadline. They are available from the Division of Foreign Quarantine, U. S. Public Health Service, Silver Spring, Md.

The prospective traveler should also check a smallpox certificate received after January 1 to make sure he has been issued one revised September 1966. This date appears on the lower left corner of the certificate cover. He should also examine the information and requirements mentioned in the certificate to make sure they are complete, including the record of the type of vaccine used, manufacturer's name, and the lot number of the vaccine.

"This information is an im-

portant part of the new certificate," Dr. Yoder said. "Taking a few minutes time to check a certificate may well save the traveler much future trouble and inconvenience."

The new amended certificate is the result of the World Health Organization's policy-setting standards.

Courtesy Tickets At Parking Meters

The Associated Retailer & Civic Association again is sponsoring a parking meter courtesy program for downtown shoppers throughout this week.

Motorists who park at a meter will be expected to deposit the initial coin. If the time allotted expires while the auto is still parked, the parking meter patrolman will insert another nickel for another hour of parking.

He also will place a courtesy card on the windshield, notifying the driver of the service and noting the time. If the auto becomes over-parked again, the driver may receive a parking ticket. A patrolman obtained the cards Friday morning at the Retailers office.
